Sirius & Odyssey

The Sirius cantilever desk is the perfect addition to any workspace. This versatile and stylish desk range provides a variety of shapes and sizes to fit the needs of any office space. With various colour combinations, you can easily find the perfect hue to match your décor. The steel leg construction makes it strong and durable, while its sleek design adds an element of sophistication.

The Odyssey classic panel leg desk is the perfect addition to any office. Its sleek, sophisticated design features a variety of shapes and sizes, making it a great choice for any workspace. The 18 MFC finishes provide an unmatched level of customization, allowing you to perfectly match the look and feel of your office while providing the perfect balance between style and function.

Pure

Pure is the perfect desk range for anyone looking to create a modern and unique workspace. With two tone colours and combination desks, you can customize your office space in a way that fits perfectly with your colour scheme.

Pure Bench gives you an extra option to create the best layout for your needs.

Boasting 3 frame colour options – black, white, and silver – this quality product helps to create a timeless and stylish aesthetic in any environment.

Veta Bench

Veta Bench, an innovative goal post leg bench system that brings creative design and practicality to any space. Providing users with the ultimate workspace, the ergonomic Veta Bench is designed with a sophisticated and contemporary look that perfectly fits any modern office.

iBench

The complete bench system – Available with a hoop, goal post or A frame leg, giving you the flexibility to create custom solutions for all kinds of spaces. With superior cable management and complimentary boardroom tables, iBench offers everything you need for an improved workspace experience.

Evolution - OAK

Introducing Evolution - the ultimate in bench desk and boardroom table furniture. Combining style and functionality, this revolutionary range allows you to create a workspace that meets your needs with a choice of oak or coloured legs to give your office an eye-catching look. Crafted from the finest materials, Evolution promises superior durability and comfort so you can be sure you're investing in quality for your business.

Bring sophistication and style to your workplace décor with Evolution.

Evolution - RAL

With RAL painted legs, the possibilities for custom colour combinations are endless. The array of colours available provides flexibility and allows for unique designs tailored to your imagination.

Individual desks with RAL painted legs are the perfect way to bring a professional, coordinated look to any office. With options for various colour choices for the painted legs, this classic desk lets you customize your workstation with style.

Executive

Experience a new level of sophistication in your modern workspace with Executive. These desks boast a stunning contemporary design that effortlessly blends style and practicality.

Available in two styles - the ergonomic corner workstation or the classic rectangular desk. The corner workstation includes an integrated 3 drawer unit, while both styles come in a variety of colour options, with 18 MFC finishes to choose from.

Enhance your workspace with an unmistakable touch of elegance.

Freedom Lite

The Freedom Lite electric sit/stand individual desks are designed to provide you with the ultimate in flexibility and comfort. With a height-adjustable design, you can quickly and conveniently switch from sitting to standing with just the touch of a button. This provides your posture and muscles with natural movement throughout the day, allowing for improved focus and productivity.

Freedom X

The Freedom X electric sit/stand bench and individual desks are the flexible addition to any workspace. With a cable management system that ensures cables will stay organized and out of the way and don't become an eyesore or snag when adjusting desk height. The electric adjustable height settings allow users to quickly move the desk between sitting and standing while the robust construction ensures they can handle a load of up to 120kg.

Universal Storage

A complete range of office storage units that includes tambours, cupboards, filing cabinets, credenzas, and drawer units. We offer single or two-tone colour options to match any office décor as well as 6 different handle options to choose from. Each unit is designed to be durable and long-lasting so you can store all your important documents with peace of mind.

From stylish materials to sensible designs, we have something for everyone who values both form and function. Whether you are looking for personal storage or to fit out an entire office space, Universal Storage has the solution for you.

Matrix

Introducing Matrix Storage - providing modular grid storage to organize and enhance your office space. Our modern, steel frame construction is an ideal solution for any room in the home or office. The sleek lines add a contemporary touch that isn't too overpowering, giving your space an effortless and stylish look.

With Matrix Storage, your office space will be upgraded in style and convenience.

The TV unit effortlessly fits between two grid frames, offering a sophisticated and functional storage solution. Not only does this versatile piece of furniture elevate any Matrix setup, but it also conceals unsightly cables, making it an ideal for any office space where a TV is required.

Tables

Tables play a vital role in modern office spaces beyond just the boardroom. We offer a diverse selection of tables, including boardroom, meeting, conference, multipurpose and breakout options to cater to your specific needs.

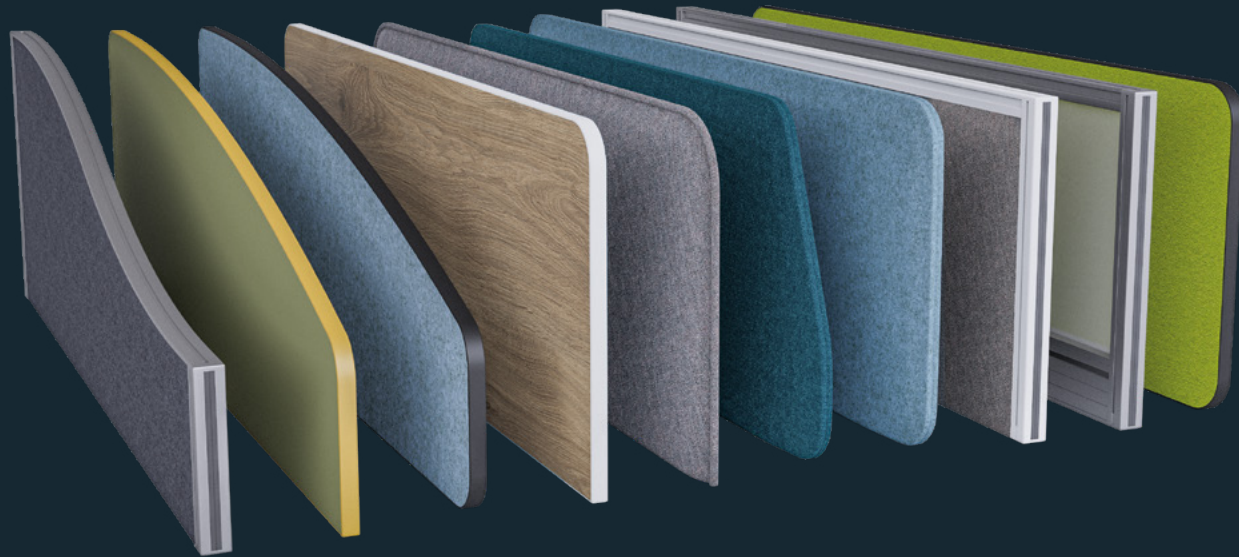

Evolve

Make a statement in your office space with the Evolve boardroom and breakout table range. Choose from oak or RAL painted legs to make a bold design statement that will elevate any corporate environment.

With this exquisite range of furniture and comprehensive colour options, you can create an atmosphere that reflects the unique identity of your business. Enjoy the luxury and comfort Evolve brings to any boardroom or breakout area.

Divide

Our range of desktop and floor standing screens are the perfect way to create privacy in any workspace. Choose from a range of materials - MFC, fabric, acrylic with various frame options - and numerous shapes, sizes and styles. All of our screens have been carefully designed to ensure they provide the ultimate privacy solution for your office.

Customize your space with a variety of finishes designed to complement your existing furniture. With Divide, you can easily divide up workspaces or spruce up any room. Whether you want a large partition for open plan offices or a smaller one for shared desks, Divide has the solution.

Receptiv

A modular reception furniture range that allows you to create fully customizable configurations. Perfect for designing a contemporary and professional reception area in any office space.

Crafted from high quality materials, the rectangular and curved units are designed for maximum durability and style. Choose from an array of glass shelves, top units, storage solutions, and various colour combinations to perfectly suit your individual style.

Our modular furniture range is designed with no assembly required. Simply retrofit the units together and enjoy an interior that meets your needs.

Experience versatility and flexibility with Receptiv.

Allure

Allure offers the perfect solution for modern reception areas. The modular reception furniture is designed to be fully customisable so you can create exactly the look and feel you want in your workspace.

Choose from stylish decor panels, DDA units, glass shelves, and storage options to create a visually stunning yet practical environment. Allure, also offers various colour combinations to further customize your space to best suit its style and purpose.

Best of all, units are pre-assembled so that setup is both fast and easy. With Allure's beautiful design and unique features, it has never been simpler to style a professional reception space that exudes luxury and sophistication.
